

## **Andreas Baumann, CFO**

Andreas Baumann has been Chief Financial Officer at Detecon International and consequently a member of the Executive Board as well since March 2009. He previously worked at T-Systems South Africa, also in the role of CFO, from 2005. But all in all Baumann has been a part of the Deutsche Telekom Group since 1995, although he initially was a member of the unit Treasury. From 1999 on, he was the director of the department Global Financial Management and from 2000 on director of the department Money Market and Currencies. In addition to his line activities, Baumann was also the commercial manager of the two financial investment limited companies (GmbH) Global Satelliten-Beteiligungs-Holding and DT-Satelliten-Holding. Andreas Baumann earned his academic degree at the University of Bamberg, where he majored in business administration.
